"The diapers helped when I needed them the most. It also gave me people I could trust and talk to if I had any questions about my children. I don't know what I would do without them." –SCDB Client 2017

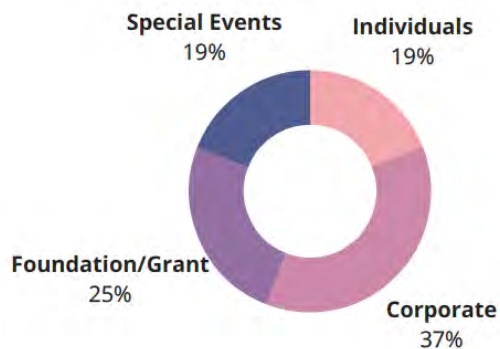

When families receive diapers from SCDB, they fill out a short, anonymous survey explaining how the diapers have or will impact them. Below are the results of over 2,400 surveys collected throughout 2017. Because of our diapers, the positive outcomes listed are now possible for hundreds of families in our community.

The 2nd Annual Diaper Dash brought together hundreds of people on a beautiful morning to raise awareness of Diaper Need in Greater Cincinnati. There were tons of kids dashing in their age groups, teams competing to wrap diapers, and so much fun!

Douglas of Cincinnati brought the No Child Wet Behind 5k to Cincinnati in 2017 for the first time. It resulted in the biggest diaper drive of the year for us: over 40,000 diapers for babies in need!!

Q102, Cincinnati's #1 radio station, took SCDB under their wing in 2017. Event promotions, raffle items, event hosting, and being part of the amazing Good Vibes Tour all helped put us on the map in Cincinnati.

"I work hard to make ends meet and this program helps me to save a lot, especially when it comes to daycare." –Client 2017

Core Values

Mission: Sweet Cheeks Diaper Bank partners with local social service agencies to provide free diapers to low-income families while raising awareness of the basic health need for diapers.

Vision: To eliminate the existence of diaper need in our community so that all babies have a chance to be healthy, happy, and safe.

Advocacy: We compassionately end diaper need through education.

Engagement: We work together to ensure all babies have clean diapers.

Inclusion: We bridge gaps between communities to give kids a healthy start.

Innovation: We infuse fun into creatively diminishing the diaper gap.

Respect: We treat everyone with the same care we give our families.
