

SWEET CHEEKS DIAPER BANK GOLF OUTING!

TRADITIONS GOLF CLUB MONDAY, OCTOBER 3

Sweet Cheeks Diaper Bank was founded in 2015 and remains the only diaper bank in the Greater Cincinnati area. An estimated 16,000 local children suffer from diaper need, the lack of a sufficient supply of diapers to keep a baby clean and dry, which can cause physical, emotional, and developmental delays. We partner with over 50 local social service agencies to **provide nearly 2 million free diapers to low-income families each year**. Our goal is the elimination of diaper need in our community, so that all babies have a chance to be happy and healthy.

Thank you for Changing the Bottom Line for Families in Need.
